

Executive's statement of intent
Rajamangala University of Technology Krungthep
I, Associate Professor Pichai Janmanee
acting President of Rajamangala University of Technology Krungthep

I would like to declare my intention to personnel in the university and the public that I will perform the duties of government administration with honesty, integrity, and courage to stand beside the right things. With awareness and responsibilities, all my authorities will be used in government affairs with transparency and fairness. I pledge to fight against all forms of corruption through good governance in order to achieve the success according to the goals that have been set.

All of the above can be achieved by the followings:

- 1) Perform duties in accordance with laws, regulations, rules and regulations

In order to provide transparent and fair management.

- 2) Personnel and service recipients are given the opportunity to participate in reflecting their opinions on the management in order to lead to effective management.
- 3) "No gift policy" is promoted that all university executives, officers and personnel must neither give nor take the gifts to against all forms of the corruptions.
- 4) Lead the organization with transparency and promote verifiable integrity.

This is to be regarded as a guideline for executives and personnel to prevent corruption and misconduct in the organization
